May 18, 2023

JACKSONVILLE, Fla. and GREENWICH, Conn., May 18, 2023 (GLOBE NEWSWIRE) -- Regency Centers Corporation ("Regency") (Nasdaq: REG) and Urstadt Biddle Properties Inc. ("Urstadt Biddle" or "UBP") (NYSE: UBA and UBP) today announced that the two companies have entered into a definitive merger agreement (the "Agreement") by which Regency will acquire Urstadt Biddle in an all-stock transaction, valued at approximately \$1.4 billion, including the assumption of debt and preferred stock. The combined company is expected to have a pro forma equity market capitalization of approximately \$11 billion and total enterprise value of approximately \$16 billion.

Under the terms of the Agreement, Urstadt Biddle's Class A Common (UBA) and Common (UBP) stockholders will receive 0.347 of a newly-issued REG share for each UBA or UBP share they own, representing a total consideration of approximately \$20.40 per share based on Regency's closing share price on May 17, 2023. Upon closing, Regency and Urstadt Biddle shareholders will own approximately 93% and 7% of the combined company, respectively. The respective Boards of Directors of both Regency and Urstadt Biddle have each approved the transaction.

"We couldn't be more excited about the combination of our two great companies," said Lisa Palmer, President and Chief Executive Officer of Regency. "The portfolio that Urstadt Biddle has carefully assembled over more than 50 years offers a highly aligned demographic and merchandising profile to Regency. Both companies have a successful track record of owning and operating best-in-class grocery-anchored neighborhood and community centers in premier suburban trade areas, and we look forward to the synergies and growth opportunities that this transaction will offer to the combined shareholder base."

"Regency has a long, successful history of being a sector and industry leader in the ownership and operation of high-quality shopping centers around the country, with one of the best-regarded teams in the REIT industry," said Willing L. Biddle, President and CEO of Urstadt Biddle. "I have no doubt that our portfolio will be in great hands under Regency leadership, and as a future Regency shareholder I look forward to the scale and platform benefits that the combination of our two companies will provide."

The combined portfolio will be comprised of 481 total properties encompassing more than 56 million square feet of gross leasable area. The combination is expected to provide several strategic benefits, including:

- **Strategically Aligned Portfolios of High-Quality, Open-Air Shopping Centers:** The transaction grows the combined company's footprint of high-quality, grocery-anchored shopping centers in premier suburban trade areas while enhancing Regency's overall geographic diversification and maintaining a strong tenant roster.
- **Best-In-Class Operating Platform Drives Value Creation:** Regency's sector-leading national leasing and asset management platform is positioned to unlock value within the combined portfolio.

- **Maintains Balance Sheet and Liquidity Strength:** The all-stock transaction preserves Regency's well-capitalized and flexible balance sheet to support continued growth as pro forma leverage remains at the low end of Regency's target range of 5.0x – 5.5x.

UBP is expected to align the timing of its quarterly dividend payments to Regency's during the pendency of the merger. The transaction is expected to be non-taxable to Urstadt Biddle shareholders.

The transaction is currently expected to close late in the third quarter or early in the fourth quarter of 2023, subject to the receipt of approval of UBA and UBP shareholders and satisfaction of other customary closing conditions. Stockholders of UBP holding approximately 68% of UBP's voting rights have entered into an agreement to vote in favor of the transaction. Non-GAAP Disclosure

We believe these non-GAAP measures provide useful information to our Board of Directors, management and investors regarding certain trends relating to our financial condition and results of operations. Our management uses these non-GAAP measures to compare our performance to that of prior periods for trend analyses, purposes of determining management incentive compensation and budgeting, forecasting and planning purposes.

We do not consider non-GAAP measures an alternative to financial measures determined in accordance with GAAP, rather they supplement GAAP measures by providing additional information we believe to be useful to our shareholders. The principal limitation of these non-GAAP financial measures is they may exclude significant expense and income items that are required by GAAP to be recognized in our consolidated financial statements. In addition, they reflect the exercise of management's judgment about which expense and income items are excluded or included in determining these non-GAAP financial measures. In order to compensate for these limitations, reconciliations of the non-GAAP financial measures we use to their most directly comparable GAAP measures are provided. Non-GAAP financial measures should not be relied upon in evaluating the financial condition, results of operations or future prospects of Regency.

Nareit FFO is a commonly used measure of REIT performance, which the National Association of Real Estate Investment Trusts ("Nareit") defines as net income, computed in accordance with GAAP, excluding gains on sale and impairments of real estate, net of tax, plus depreciation and amortization, and after adjustments for unconsolidated partnerships and joint ventures. Regency computes Nareit FFO for all periods presented in accordance with Nareit's definition. Since Nareit FFO excludes depreciation and amortization and gains on sales and impairments of real estate, it provides a performance measure that, when compared year over year, reflects the impact on operations from trends in percent leased, rental rates, operating costs, acquisition and development activities, and financing costs. This provides a perspective of Regency's financial performance not immediately apparent from net income determined in accordance with GAAP. Thus, Nareit FFO is a supplemental non-GAAP financial measure of the Regency's operating performance, which does not represent cash generated from operating activities in accordance with GAAP; and, therefore, should not be considered a substitute measure of cash flows from operations. Regency provides a reconciliation of Net Income Attributable to Common Shareholders to Nareit FFO.

Core Operating Earnings is an additional performance measure that excludes from Nareit FFO: (i) transaction related income or expenses; (ii) gains or losses from the early extinguishment of debt; (iii) certain non-cash components of earnings derived from above and below market rent amortization, straight-line rents, and amortization of mark-to-market of debt adjustments; and (iv) other amounts as they occur. The Regency provides a reconciliation of Net Income to Nareit FFO to Core Operating Earnings.
