This Security is one of a duly authorized issue of securities of the Issuer (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of December 5, 2001, among the Issuer, Regency Centers Corporation (the "Corporation"), as Guarantor, and Wachovia Bank, National Association, formerly known as First Union National Bank, as Trustee, as supplemented by the First Supplemental Indenture, dated as of June 5, 2007 (herein called the "First Supplemental Indenture"), the Second Supplemental Indenture, dated as of June 2, 2010 (herein called the "Second Supplemental Indenture"), the Third Supplemental Indenture, dated as of August 17, 2015 (herein called the "Third Supplemental Indenture") and the Fourth Supplemental Indenture, dated as of January 26, 2017 (herein called the "Fourth Supplemental Indenture"; and such Indenture as originally executed and delivered and as supplemented from time to time thereafter, together with the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture and the Fourth Supplemental Indenture, herein called the "Indenture"), each among the Issuer, the Corporation, as Guarantor, and U.S. Bank National Association, as successor to Wachovia Bank, National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof.

Securities of this series may be redeemed at any time at the option of the Issuer, in whole or in part, upon notice of not more than 60 nor less than 15 days prior to the Redemption Date, at a redemption price equal to the sum of (i) the principal amount of the Securities being redeemed, plus accrued interest thereon to the Redemption Date and (ii) the Make-Whole Amount, if any, with respect to such Securities; provided, however, that if any Security is redeemed on or after the Par Call Date, the redemption price shall not include the Make-Whole Amount.

As used herein, "Make-Whole Amount" means, in connection with any optional redemption or accelerated payment of any Securities, the excess, if any, of (i) the aggregate present value as of the date of such redemption or accelerated payment of each dollar of principal being redeemed or paid and the amount of interest (exclusive of interest accrued to the date of redemption or accelerated payment) that would have been payable in respect of each such dollar to the Par Call Date if such redemption or accelerated payment had not been made, determined by discounting, on a semi-annual basis, such principal and interest at the Reinvestment Rate (determined on the third Business Day preceding the date such notice of redemption is given or declaration of acceleration is made) from the respective dates on which such principal and interest would have been payable if such redemption or accelerated payment had not been made, over (ii) the aggregate principal amount of the Securities being redeemed or paid.

"Par Call Date" means November 1, 2026.

“Reinvestment Rate” means 0.20% plus the arithmetic mean of the yields under the respective heading “Week Ending” published in the most recent Statistical Release under the caption “Treasury Constant Maturities” for the maturity (rounded to the nearest month) corresponding to the remaining life to maturity (assuming that the Securities matured on the Par Call Date, the “remaining life”) of the Securities, as of the payment date of the principal being redeemed or paid. If no maturity exactly corresponds to such maturity, yields for the two published maturities most closely corresponding to such maturity shall be calculated pursuant to the immediately preceding sentence and the Reinvestment Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding in each of such relevant periods to the nearest month. For the purposes of calculating the Reinvestment Rate, the most recent Statistical Release published prior to the date of determination of the Make-Whole Amount shall be used.

“Statistical Release” means the statistical release designated “H.15(519)” or any successor publication which is published weekly by the Federal Reserve System and which establishes yields on actively traded United States government securities adjusted to constant maturities, or, if such statistical release is not published at the time of any determination under the indenture, then such other reasonably comparable index designated by us.

If (x) the Corporation does not consummate the Equity One Acquisition (as defined below) on or prior to September 30, 2017 (the “Outside Date”), or if, on or prior to such date, (y) the Corporation notifies the Trustee that (i) the Equity One Merger Agreement (as defined below) has been terminated in accordance with its terms prior to the consummation of the Equity One Acquisition or (ii) the Corporation will not pursue the consummation of the Equity One Acquisition (the earlier of the date of delivery of such notice described in clause (y) and the Outside Date, the “Special Mandatory Redemption Trigger Date”), the Issuer will be required to redeem the Securities then outstanding (such redemption, the “Special Mandatory Redemption”) at a redemption price equal to 101% of the principal amount of the Securities to be redeemed plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (the “Special Mandatory Redemption Price”).

In the event that the Issuer becomes obligated to redeem the Securities pursuant to the Special Mandatory Redemption, the Issuer will promptly, and in any event not more than five Business Days after the Special Mandatory Redemption Trigger Date, deliver written notice to the Trustee of the Special Mandatory Redemption and the date upon which such Securities will be redeemed (the “Special Mandatory Redemption Date,” which date shall be, notwithstanding anything in this Security to the contrary, any Business Day following the Special Mandatory Redemption Trigger Date that is no later than 15 Business Days after the Special Mandatory Redemption Trigger Date) together with a notice of Special Mandatory Redemption for the Trustee to deliver to each registered Holder of Securities to be redeemed. The Trustee will then promptly mail, or deliver electronically if such Securities are held by any Depository (including, without limitation, DTC) in accordance with such Depository’s customary procedures, such notice of Special Mandatory Redemption to each registered Holder of Securities to be redeemed at its registered address. Unless the Issuer defaults in payment of the Special Mandatory Redemption Price, on and after such Special Mandatory Redemption Date, interest will cease to accrue on the Securities to be redeemed and the indenture will be discharged and cease to be of further effect as to the Securities to be redeemed.

Notwithstanding the foregoing, installments of interest on the Securities that are due and payable on Interest Payment Dates falling on or prior to the Special Mandatory Redemption Date will be payable on such Interest Payment Dates to the registered Holders as of the close of business on the relevant Regular Record Date in accordance with this Security and the Indenture.

For purposes of the Special Mandatory Redemption provisions of this Security, the following terms will be applicable:

“Equity One” means Equity One, Inc., a Maryland corporation.

“Equity One Acquisition” means the acquisition of Equity One by the Corporation pursuant to the Equity One Merger Agreement (as defined below).

“Equity One Merger Agreement” means that certain Agreement and Plan of Merger, dated as of November 14, 2016, between the Corporation and Equity One, as amended, supplemented, restated or otherwise modified from time to time.

The Securities of this series do not have the benefit of any sinking fund obligations.

In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion thereof will be issued in the name of the Holder hereof upon cancellation thereof.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the Guarantor and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Issuer, the Guarantor and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Issuer or by the Guarantor with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Issuer in Jacksonville, Florida or in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture, and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Issuer, the Guarantor, the Trustee and any agent of the Issuer, the Guarantor or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Issuer, the Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

Interest on this Security shall be computed on the basis of a 360-day year composed of twelve 30-day months.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture, unless otherwise defined herein.

The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York.

GUARANTEE

For value received, Regency Centers Corporation, as Guarantor (the "Guarantor"), hereby unconditionally guarantees to the Holder of the Security upon which this Guarantee is endorsed, and to the Trustee on behalf of such Holder, the due and punctual payment of the principal of (and premium, if any) and interest on such Security when and as the same shall become due and payable, whether at the Stated Maturity, by acceleration, purchase or otherwise, according to the terms thereof and of the Indenture referred to therein. In case of the failure of the Issuer punctually to make any such payment, the Guarantor hereby agrees to cause such payment to be made punctually when and as the same shall become due and payable, whether at the Stated Maturity or by acceleration, purchase or otherwise, and as if such payment were made by the Issuer.

The Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of such Security or the Indenture, the absence of any action to enforce the same or any release or amendment or waiver of any term of any other Guarantee of, or any consent to departure from any requirement of any other Guarantee of all or of any of the Securities on which this Guarantee is endorsed, the election by the Trustee or any of the Holders in any proceeding under Chapter 11 of the Bankruptcy Code of the application of Section 1111(b)(2) of the Bankruptcy Code, any borrowing or grant of a security interest by the Issuer, as debtor-in-possession, under Section 364 of the Bankruptcy Code, the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of the claims of the Trustee or any of the Holders for payment of any of the Securities on which this Guarantee is endorsed, any waiver or consent by the Holder of such Security or by the Trustee or either of them with respect to any provisions thereof or of the Indenture, the obtaining of any judgment against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defense of the Guarantor. The Guarantor hereby waives the benefits of diligence, presentment, demand of payment, any requirement that the Trustee or any of the Holders exhaust any right or take any action against the Issuer or any other Person, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to such Security or the Indebtedness evidenced thereby and all demands whatsoever, and covenants that this Guarantee will not be discharged except by complete performance of the obligations contained in such Security and in this Guarantee. The Guarantor hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on such Security, whether at their Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Security, subject to the terms and conditions set forth in the Indenture, directly against the Guarantor to enforce this Guarantee without first proceeding against the Issuer. The Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Securities on which this Guarantee is endorsed, to collect interest on such Securities, or to enforce or exercise any other right or remedy with respect to such Securities, the Guarantor agrees to pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

No reference herein to the Indenture, and no provision of this Guarantee or of the Indenture shall alter or impair the Guarantee of the Guarantor, which is absolute and unconditional, of the due and punctual payment of the principal (and premium, if any) and interest on the Security upon which this Guarantee is endorsed.

The Guarantor shall be subrogated to all rights of the Holder of this Security against the Issuer in respect of any amounts paid by the Guarantor on account of this Security pursuant to the provisions of this Guarantee or the Indenture; provided, however, that the Guarantor shall not be entitled to enforce or to receive any payments arising out of, or based upon, such right of subrogation until the principal of (and premium, if any) and interest on this Security and all other Securities of this series issued under the Indenture shall have been paid in full.

This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Securities of this series is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Securities of this series whether as a "voidable preference," "fraudulent transfer," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Securities of this series shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

All terms used in this Guarantee which are defined in the Indenture referred to in the Security upon which this Guarantee is endorsed shall have the meanings assigned to them in such Indenture.

This Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Security upon which this Guarantee is endorsed shall have been executed by the Trustee under the Indenture by manual signature.

Reference is made to Article Twelve of the Indenture for further provisions with respect to this Guarantee.

This Guarantee shall be governed by and construed in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, Regency Centers Corporation, as Guarantor, has caused this Guarantee to be duly executed.

[Signature Page to the Form of Note]

This Security is one of a duly authorized issue of securities of the Issuer (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of December 5, 2001, among the Issuer, Regency Centers Corporation, as Guarantor, and Wachovia Bank, National Association, formerly known as First Union National Bank, as Trustee, as supplemented by the First Supplemental Indenture, dated as of June 5, 2007 (herein called the "First Supplemental Indenture"), the Second Supplemental Indenture, dated as of June 2, 2010 (herein called the "Second Supplemental Indenture"), the Third Supplemental Indenture, dated as of August 17, 2015 (herein called the "Third Supplemental Indenture") and the Fourth Supplemental Indenture, dated as of January 26, 2017 (herein called the "Fourth Supplemental Indenture"; and such Indenture as originally executed and delivered and as supplemented from time to time thereafter, together with the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture and the Fourth Supplemental Indenture, herein called the "Indenture"), each among the Issuer, Regency Centers Corporation, as Guarantor, and U.S. Bank National Association, as successor to Wachovia Bank, National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof.

Securities of this series may be redeemed at any time at the option of the Issuer, in whole or in part, upon notice of not more than 60 nor less than 15 days prior to the Redemption Date, at a redemption price equal to the sum of (i) the principal amount of the Securities being redeemed, plus accrued interest thereon to the Redemption Date and (ii) the Make-Whole Amount, if any, with respect to such Securities; provided, however, that if any Security is redeemed on or after the Par Call Date, the redemption price shall not include the Make-Whole Amount.

As used herein, "Make-Whole Amount" means, in connection with any optional redemption or accelerated payment of any Securities, the excess, if any, of (i) the aggregate present value as of the date of such redemption or accelerated payment of each dollar of principal being redeemed or paid and the amount of interest (exclusive of interest accrued to the date of redemption or accelerated payment) that would have been payable in respect of each such dollar to the Par Call Date if such redemption or accelerated payment had not been made, determined by discounting, on a semi-annual basis, such principal and interest at the Reinvestment Rate (determined on the third Business Day preceding the date such notice of redemption is given or declaration of acceleration is made) from the respective dates on which such principal and interest would have been payable if such redemption or accelerated payment had not been made, over (ii) the aggregate principal amount of the Securities being redeemed or paid.

"Par Call Date" means August 1, 2046.

“Reinvestment Rate” means 0.25% plus the arithmetic mean of the yields under the respective heading “Week Ending” published in the most recent Statistical Release under the caption “Treasury Constant Maturities” for the maturity (rounded to the nearest month) corresponding to the remaining life to maturity (assuming that the Securities matured on the Par Call Date, the “remaining life”) of the Securities, as of the payment date of the principal being redeemed or paid. If no maturity exactly corresponds to such maturity, yields for the two published maturities most closely corresponding to such maturity shall be calculated pursuant to the immediately preceding sentence and the Reinvestment Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding in each of such relevant periods to the nearest month. For the purposes of calculating the Reinvestment Rate, the most recent Statistical Release published prior to the date of determination of the Make-Whole Amount shall be used.

“Statistical Release” means the statistical release designated “H.15(519)” or any successor publication which is published weekly by the Federal Reserve System and which establishes yields on actively traded United States government securities adjusted to constant maturities, or, if such statistical release is not published at the time of any determination under the indenture, then such other reasonably comparable index designated by us.

The Securities of this series do not have the benefit of any sinking fund obligations.

In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion thereof will be issued in the name of the Holder hereof upon cancellation thereof.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the Guarantor and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Issuer, the Guarantor and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Issuer or by the Guarantor with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Issuer in Jacksonville, Florida or in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture, and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Issuer, the Guarantor, the Trustee and any agent of the Issuer, the Guarantor or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Issuer, the Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

Interest on this Security shall be computed on the basis of a 360-day year composed of twelve 30-day months.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture, unless otherwise defined herein.

The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York.

GUARANTEE

For value received, Regency Centers Corporation, as Guarantor (the "Guarantor"), hereby unconditionally guarantees to the Holder of the Security upon which this Guarantee is endorsed, and to the Trustee on behalf of such Holder, the due and punctual payment of the principal of (and premium, if any) and interest on such Security when and as the same shall become due and payable, whether at the Stated Maturity, by acceleration, purchase or otherwise, according to the terms thereof and of the Indenture referred to therein. In case of the failure of the Issuer punctually to make any such payment, the Guarantor hereby agrees to cause such payment to be made punctually when and as the same shall become due and payable, whether at the Stated Maturity or by acceleration, purchase or otherwise, and as if such payment were made by the Issuer.

The Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of such Security or the Indenture, the absence of any action to enforce the same or any release or amendment or waiver of any term of any other Guarantee of, or any consent to departure from any requirement of any other Guarantee of all or of any of the Securities on which this Guarantee is endorsed, the election by the Trustee or any of the Holders in any proceeding under Chapter 11 of the Bankruptcy Code of the application of Section 1111(b)(2) of the Bankruptcy Code, any borrowing or grant of a security interest by the Issuer, as debtor-in-possession, under Section 364 of the Bankruptcy Code, the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of the claims of the Trustee or any of the Holders for payment of any of the Securities on which this Guarantee is endorsed, any waiver or consent by the Holder of such Security or by the Trustee or either of them with respect to any provisions thereof or of the Indenture, the obtaining of any judgment against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defense of the Guarantor. The Guarantor hereby waives the benefits of diligence, presentment, demand of payment, any requirement that the Trustee or any of the Holders exhaust any right or take any action against the Issuer or any other Person, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to such Security or the Indebtedness evidenced thereby and all demands whatsoever, and covenants that this Guarantee will not be discharged except by complete performance of the obligations contained in such Security and in this Guarantee. The Guarantor hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on such Security, whether at their Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Security, subject to the terms and conditions set forth in the Indenture, directly against the Guarantor to enforce this Guarantee without first proceeding against the Issuer. The Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Securities on which this Guarantee is endorsed, to collect interest on such Securities, or to enforce or exercise any other right or remedy with respect to such Securities, the Guarantor agrees to pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

No reference herein to the Indenture, and no provision of this Guarantee or of the Indenture shall alter or impair the Guarantee of the Guarantor, which is absolute and unconditional, of the due and punctual payment of the principal (and premium, if any) and interest on the Security upon which this Guarantee is endorsed.

The Guarantor shall be subrogated to all rights of the Holder of this Security against the Issuer in respect of any amounts paid by the Guarantor on account of this Security pursuant to the provisions of this Guarantee or the Indenture; provided, however, that the Guarantor shall not be entitled to enforce or to receive any payments arising out of, or based upon, such right of subrogation until the principal of (and premium, if any) and interest on this Security and all other Securities of this series issued under the Indenture shall have been paid in full.

This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Securities of this series is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Securities of this series whether as a "voidable preference," "fraudulent transfer," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Securities of this series shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

All terms used in this Guarantee which are defined in the Indenture referred to in the Security upon which this Guarantee is endorsed shall have the meanings assigned to them in such Indenture.

This Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Security upon which this Guarantee is endorsed shall have been executed by the Trustee under the Indenture by manual signature.

Reference is made to Article Twelve of the Indenture for further provisions with respect to this Guarantee.

This Guarantee shall be governed by and construed in accordance with the laws of the State of New York.
